All U.S. Affiliates:

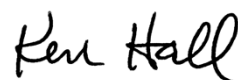

Due to the recent disasters from Hurricane Laura, fires in California and Derecho's we wanted to remind all affiliates of the process for obtaining help from the Disaster Relief Fund. As you will recall, in 2018 we announced that the Teamsters Disaster Relief Fund (Fund) was restructured to better serve our members. A program was developed in order to get funds to your members in a more efficient manner. The International Union no longer processes individual requests for assistance. Instead, affiliates that have members affected by a disaster can request funds to be used in the manner that best serves the members.

If a disaster has occurred in your area, the Local may apply for assistance by filling out the "Affiliate Request for Assistance Form" (which is enclosed). In the case of a major disaster affecting several affiliates the request for assistance should be processed by the Joint Council. Once the form is received it will be reviewed by the Trustees of the Fund, and, if approved, a check will be processed to the Affiliate in a timely manner. The Affiliate will then disburse the funds to its members.

Once the funds have been disbursed, the affiliate must prepare the "Affiliate Accounting Report" (which is also enclosed) and return it to the Disaster Relief Fund within 30 days after the distribution of funds has ended. If all funds have not been disbursed, the remaining funds must be returned to the Fund within 30 days after the distribution of funds ended. Failure to submit the "Affiliate Accounting Report" will hinder any future requests for assistance.

Should you have any questions on the Teamsters Disaster Relief Fund please contact my office.

Fraternally yours,

Ken Hall, Treasurer
